tTech Limited Dividend Policy

May 10, 2019

tTech Limited advises that at a meeting of the Board of Directors on May 7, 2019 the following Dividend Policy was approved:

“As soon as reasonably practicable after the issue of the Company’s audited financial statements, the Board shall consider the declaration of a dividend. The current policy is to distribute up to 25% of the profits after tax subject to the need for reinvestment in the Company from time to time.”
